This policy governs the Exchange Program for Hoymiles products including Micro-inverters (Model: MI/HM/HMT/HMS/MiS/MiT series), Data Transfer Units (the "DTU"), covered by Hoymiles' warranty (the "Exchange Program"). Parties wishing to participate in the Exchange Program must abide by the procedures and requirements set forth in this policy. Hoymiles may, at its sole discretion, reject the exchange of any products not returned as required in this policy.

1. Warranty Claims

The standard warranty period for below products:

Micro-inverters: 12 years;

DTU: 2 years (The product is shipped from Hoymiles before 31st Dec 2021);

3 years (The product is shipped from Hoymiles after 1st Jan 2022);

Meter: 1 year;

NOTE: THIS WARRANTY POLICY IS LIMITED TO PRODUCTS MANUFACTURED BY HOYMILES ONLY. IN THE CASE OF ANCILLARY PARTS OR ADD-ON DEVICES SUPPLIED BY HOYMILES ALONG WITH A HOYMILES PRODUCT, PLEASE REFER TO THE WARRANTY TERMS PROVIDED BY THE RELEVANT MANUFACTURER.

The effective warranty period starts from the earlier of (1) 4 months from the date the products are shipped from Hoymiles, (2) the installation date of the product.

For the module embedded Equipment, the Warranty Period shall not exceed the maximum of (1) the PV Module product warranty period and (2) the PV Module power warranty periods provided by the applicable module manufacturer.

An extended warranty period that covers an additional 156 months can be applied for micro-inverters, which is only available for purchase within 36 months from the product purchase date (See Section 9 for information relating to the warranty extension). Exchange services apply only to micro-inverters within their warranty period or extended warranty period.

-Warranty Transfer: The warranty applies to the original Hoymiles product purchaser, and is transferable only if the product remains installed in the original location. This warranty policy will apply only to Hoymiles products installed by a qualified professional. The warranty policy will be rendered invalid where Hoymiles products are sold second-hand through unlicensed sales channels. To transfer warranty ownership, please send an authorization email that specifies the username and password from the previous owner to service@hoymiles.com.

-Disputes of Warranty Start Date: If the Customer disputes the calculation of the warranty start date as defined in this agreement, the Customer shall submit to service@hoymiles.com valid purchase documentation that clearly indicates the date of purchase, such as an invoice or contract, for verification. Upon review and approval by Hoymiles, the warranty period shall be reset to start three months from the purchase date as confirmed by the provided documentation. If the dispute is not approved, the original warranty start date shall remain in effect.

*Claims without valid proof of purchase will not be processed.

*Final determination of warranty adjustment remains at Hoymiles's sole discretion.

Note: If you are an end-user, please contact your installer in the first instance in case of any warranty issue. Hoymiles will work directly with the installer to replace a faulty product if it is deemed eligible under the terms of the Exchange Program. The warranty policy outlined in this document represents a product replacement warranty, and does not cover the costs of installation and commissioning. If the original installation company has ceased trading, please contact a qualified installer to arrange an on-site inspection.

In all instances, the installer must send the required defective products to a Hoymiles local warehouse or the warehouse of a local distributor.

- e) For a faulty product that is required to be returned by Hoymiles, Hoymiles will cover the costs of collection and shipment as detailed in Section 5, and the purchaser shall bear any applicable value added tax. The customer or installer must assist with the shipping process. If the required faulty product is not returned within 25 working days from receiving the replacement product, Hoymiles reserves the right to invoice the relevant installer/distributor for the cost of the product.
- f) Should a faulty product required to be returned to Hoymiles be missing, Hoymiles reserves the right to invoice the relevant installer/distributor for the value of 80% of sales price of the product.
